BACKGROUND INFORMATION

For over 30 years artist, author and lecturer Benjamin Creme has been preparing the way for the biggest event in history — the emergence of Maitreya the World Teacher and His group. Millions of people around the world have heard his information and wait expectantly for this momentous event.

Since 19 July 1977 Maitreya has been living in the Asian community of London, gradually emerging before the public. Long awaited by all faiths under different names, Maitreya is the World Teacher for all people, religious or not.

Maitreya's 'roving ambassador' Benjamin Creme travels the world spreading his message of hope and creating a climate of expectancy for Maitreya's emergence. Trained and supervised over many years by his own Master, with whom he is in constant telepathic contact, Benjamin Creme has access to up-to-date information on Maitreya's emergence, giving him the total conviction needed to present this story to a sceptical world.

As a modern man concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of His extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the unification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

Outwardly Maitreya has met with influential leaders from all fields, informing them of His solutions to our pressing problems. His message can be summarized as: "Share and save the world." He has not come to found a new religion but as an educator in the broadest sense. He will seek to inspire humanity to see itself as one family, and to create a civilization based on sharing, economic and social justice, and global co-operation.

For those who seek signs of His coming, Maitreya has manifested miracles worldwide, touching the hearts of millions and preparing them for His imminent appearance.

With Maitreya and His group working openly in the world, offering Their guidance and teachings, humanity is assured not only of survival but of the creation of a brilliant new civilization.

According to Benjamin Creme, we do not have long to wait to see Him. Soon, Maitreya will be interviewed on major US television and His open emergence will begin.

Benjamin Creme regularly lectures worldwide, and appears on television and radio — in the USA alone he has been interviewed on more than 300 radio and television shows. He is author of 10 books — translated into 11 languages — and is editor of *Share International* magazine which circulates in 70 countries. He receives no money for any of this work. Benjamin Creme offers a positive view of the future — a message of hope for the world.

Worldwide reports of miracles involving people of all faiths — and those of none — appear almost daily. *Share International* magazine has been inundated with such accounts for many years but a sceptical world has seen these extraordinary happenings as isolated events and has made no attempt to connect them or to question what is behind them, why they are happening or what they mean.

As Easter approaches we take this opportunity to remind people of the significance of these miracles which for years have fascinated and mystified millions. We suggest that they all come from the same source, and are created for a purpose — as signs of the emergence of Maitreya, the World Teacher and His group, the Masters of Wisdom.

Signs in abundance

by the Master —, through Benjamin Creme

Whenever, as now, man is in a quandary, unsure whether to go forward or back, to the left or the right, there emerges an interesting phenomenon: signs are looked for, even by those who do not believe in signs; unexplainable happenings are taken seriously and given meaning; men search for the key that will open the door through which they must go to the future, unsure, as yet, of what that future may hold for them.

The signs that would guide them are there in abundance but men soon forget the wonders which have been lavished on them for many years. Thus, in the main, men miss the very indications for which they search and for which they beg.

The time is soon coming when men will remember the signs and accept them as true portents of the days to come. They will understand them as a planned manifestation synchronized with the emergence of Maitreya and His group of Masters at this unique time in the history of the world. Many and varied have been these signals to men that something momentous and wonderful is afoot on Earth. For those with eyes to see, they have stood as a reminder to man that there are many areas of life that remain unknown and mysterious, that there are laws of which men know but little, and, above all, that man is not alone.

Since there are signs, there are creators of the signs. All religious groups await and expect their chosen divine revelation and read the signs as confirmation of their faith. Such confirmation sustains them in perilous times and gives them hope for a better future. In this way a climate of expectancy and hope is created among many millions and prepares them for the events which now are imminent. Few can deny the signs although their meaning may be obscure. They quicken the intuition and the imagination of men and open their hearts to the revelations which are to come.

From statues which weep and move to light patterns which adorn the fronts of buildings across the world; from shining crosses of light to milk-drinking Hindu gods, the signs are endless. Few can have been untouched by these wonders.

Doubters and sceptics, of course, are ever to be found. But not for long. Very soon, the climate of expectancy will grow and register firmly in the minds and hearts of men everywhere, and into that expectant atmosphere Maitreya will enter and begin His open mission. Thus will it be.

Miracles worldwide

Maitreya's miraculous appearance in Nairobi

On Saturday 11 June 1988, Maitreya miraculously appeared at an open-air prayer/healing meeting on the outskirts of Nairobi, Kenya, and addressed the gathering of 6,000 people who instantly recognized Him as the Christ. Photographs taken at the scene were carried by major news media around the world including CNN and the BBC.

Job Mutungi, editor of *The Kenya Times*, witnessed the event and wrote: "The tall figure of a bare-footed, white-robed and bearded man appeared from nowhere and stood in the middle of the crowd ... [the healer Mary Akatsa's] voice was drowned by cries and loud moans of 'Jesus! Yesu, Yeesu! You have come. Welcome Jesus!' The scene and mood of the worshippers reminded one of the Old Testament times of the Tower of Babel

when language became "confused". Everyone was murmuring something. Others were flat on the ground weeping uncontrollably in praise and worship, in total sublimation to the occasion. Mary Akatsa appealed for calm. But it was difficult ... In clear Swahili, which had no trace of accent, the strange man announced that the people of Kenya were blessed ..."

He spoke to the crowd for around 18 minutes and many of those near Him were completely healed. He then departed as mysteriously as He had appeared. Job Mutungi wrote that, after being given a short lift in Gurnam Singh's [Mary Akatsa's helper] car, the man "walked a few paces beside the road and simply vanished into thin air. Several people who witnessed this were astonished by his mysterious disappearance".

The 'hand' of Maitreya

This photograph shows another, extraordinary, miracle: the handprint of Maitreya Himself, miraculously manifested on a bathroom mirror in Barcelona, Spain, in August 2001. It is not a simple handprint but a three-dimensional image with photographic detail.

First published in *Share International* magazine (October 2001), the 'hand' is a means of invoking the healing energies and help of Maitreya. By placing your hand over it, or simply looking at it, Maitreya's healing and help can be invoked (subject to Karmic Law). Until Maitreya emerges fully, and we see His face, it is the closest He can come to us.

Reports of miracles from people having asked for help from the 'hand' are regularly published in *Share International* magazine.
